

Help us to help others with your generous gift!

Chelsea Revere Winthrop Elder Services is the recipient of Federal, State and local government funds. Regulations and guidelines often prevent us from providing necessary and gap filling services that are important to elders. Your assistance would be greatly appreciated in helping us enhance our services. Additional funds can be used to provide needed services ranging from snow shoveling to air conditioners as well as other safety modifications. These gap filling services will assist us in enhancing the quality of life for our elders.

Thank you for your consideration.

Private Donations:

Private donations can be made at any time for any occasion: a birthday, an anniversary, a memorial or as a simple thank you. We are a 501(c)(3) private non-profit agency. A receipt will be issued and a card acknowledging your donation will be sent to the person or family you designate.
